

Warranty Claim Process

Professional Bosch power tools, lithium-ion batteries and chargers meet the highest quality demands. For this reason Bosch offers a special service package.

3-year Warranty for power tools: applies to all professional blue power tools and measuring instruments.

2-year Battery Premium Service: applies to all professional blue Bosch lithium-ion batteries and matching chargers.

More information can be found in the terms and conditions.

Faulty Items

'Bosch will rectify defects affecting the appliance which are clearly attributable to material and/or manufacturing faults, provided they are reported immediately after being identified, and within the warranty period'.

Items will not be covered for damage by the chemical or electrochemical effects of water, environmental conditions, inappropriate operating conditions and improper use which includes use in a non-domestic environment, poor maintenance or failure to observe assembly instructions. Items that have been repaired by persons not authorised by Bosch or have been fitted with non-original spare parts, extras or accessories will not be covered.

To make a claim, contact Bosch Customer Service on **0844 892 8922**

If for some reason your item develops a fault within 30 days of purchase then there are a few ways to get this resolved for you.

You can either contact Bosch directly on 0344 736 0109 (Aftersales)
Or if you prefer, you can fill in an online collection form using the link below:
